8th Grade Class Trip

The 8th Grade Class Trip will be to the Museum of Science and Industry. We will leave Georgetowne by Peoria Charter Coach promptly at 7:00 a.m. and arrive at the museum approximately 11:00 a.m.

Georgetowne faculty and staff members will be supervising this activity. Students will have a light lunch upon arriving to the museum. The museum will give students an opportunity to apply what they have learned in science class as well as social studies class. Teachers will be there to reinforce the “real world” applications.

We will leave the museum at 3:30 p.m. and stop for supper on the way home. Students will be returning to Georgetowne at approximately 8:30 p.m.

Due to snow days the date for the trip is to be announced.

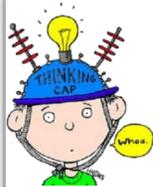

Students were informed before the fundraiser began last fall that those who sold six or more magazines during the fundraiser would not be required to pay for the cost of the trip which is \$51.00. **This does not include meals.**

Those students who sold less than six magazines will be required to pay for the cost of the trip up to \$51.00, depending on the number of items sold. **Meals will be at their own expense. \$25.00 should be more than enough to cover the amount of money students will need the day of the trip.** Please keep in mind that since the activities must be paid for weeks in advance, money is non-refundable if students become ineligible. Once the trip date is set a letter will be sent home with an attendance form and the amount owed for the trip.
