Weekly News

This week, we will be learning letter names and sounds for Pp, Qq, Rr, and Ss. We will also continue to work on color words and other sight words. Our new sight words for this week are: a, A and to. Our story for this week will be "A Tree for All Seasons."

For Math, we will sort and match objects as well as continue learning how to recognize and write numbers 0-5 . We will also review shapes. We do this each day during Calendar Time but MANY of the children are still in need of practice in naming the shapes.

Names

This coming week will also be the review of learning to print our first name with correct Zaner-Bloser form and within the printing lines (to an extent).
