Physicals & Dental Exams

All students entering sixth grade for the 2018-2019 school year must have a physical exam. The state now requires doctors to do a diabetes screening during the physical. They are also required to get the DTaP immunization. We cannot accept any physical that has not had this done. Please check with the doctor to make sure it is marked on the physical. **In the past we have had a doctor come to Georgetowne to do sports physicals, this service is no longer provided to the district.**

Also, all students entering sixth grade for the 2018-2019 school year must have a **dental** exam.

If you have any questions, please call the school at 382-3401. If you need a physical or dental form, they are available in the office.

Yearbooks

The yearbook for 2017/2018 school year will be combined again this year with Marquette. By doing a combination yearbook, it has been more cost effective and convenient for parents. Order forms have been sent home. Yearbooks are available for sale though the end of the year.

PARCC

The staff at Rogers Elementary has been working hard to prepare students for the upcoming PARCC assessment. Rogers students will begin testing the week of March 5th.

Many parents ask how they can help prepare students for the PARCC assessment. You can help your children do their best by making sure they: are in attendance, eat a good breakfast, dress comfortably, and get to bed early. We appreciate your partnership!
