Just a reminder to parents and students, during school hours, cell phones are to be turned off or muted and left in the students' lockers. Phones should not be on their person as this can be very disruptive during class time. Parents, if you need to contact your student, please contact the office and a message will be sent to your child. If you are picking up your child, again notify the office and we will call your student to the office to be signed out. Office numbers can be found below.
