

Marquette Elementary

Canned Food Drive 2019

Each year District 102 Schools look forward to partnering with the Marquette Heights and North Pekin Fire Departments to collect non-perishable food items. The fire departments use the food to put together baskets for families in our local community. Students at Marquette Elementary run a contest to determine the class with the most donations. Each food item donated is worth 1 point, but we also have a bonus food item each day. Bonus items are worth 5 points each. The bonus items schedule is listed below if you want to plan your shopping ahead of time.
