Scott Buhl
Mike Therry
Kelly Vo
Ryan Williams*

With seven months of the school year behind us, the end of the year is quickly approaching, I want to thank everyone who helps make our schools run so smoothly. It has been another great school year for District 102. We are truly appreciative of the efforts from students, parents, teachers and community members who help make our district so strong.

With snow coming as early as Halloween this year, we were concerned about what winter had in store for us. We did have some questionable weather days over the couple of months, but were able to continue holding school on each of those days. Since winter did not create too much havoc, we have not had to use any emergency days. Assuming this weather continues and we don't have a late snowstorm, the last day of school continues to be scheduled for Friday, May 22. Please remember, however, that this date will be pushed back one day for each day we may lose as a result of weather. If most of you are like me, I'm ready to bring back the sun and warmer temps that spring has to offer.

As I have mentioned in previous years, the Illinois State Board of Education (ISBE) annually gathers financial information on Illinois school districts to determine each district's financial strength. The purpose of this data gathering process is to identify those districts that are moving towards or are already in financial difficulty. The ISBE looks at the following information to determine a district's strength.

- Fund balance to revenue ratio
- Expenditure to revenue ratio
- Days cash on hand
- Percent of short term borrowing available
- Percent of long-term debt margin.

After reviewing each district's information, a financial designation profile score is calculated. Scores are accompanied by one of four ratings (listed from highest rating to lowest): Financial Recognition, Financial Review, Financial Early Warning and Financial Watch.

District 102 is proud to announce that, for the 12th consecutive year, the district has achieved "Financial Recognition" status. This recent designation is based on a review of District 102's finances from the 2019 fiscal year.

Pre-Kindergarten Screening

North Pekin - Marquette Heights School District #102 will conduct a spring screening for the B.E.A.R.S pre-kindergarten program.

The screening dates are Monday, May 18 and Tuesday, May 19, 2020. You may call for an appointment beginning April 20, 2020. **Proof of Residency must be provided before child is screened.**

The pre-kindergarten classes are held at Marquette Elementary School during the school year. The classes meet Monday through Friday for two and a half hours, either in the morning or afternoon. The classes are limited to 20 students per session. Students are invited to attend this class based on the screening results. The purpose of this class is to provide developmentally appropriate activities for students while preparing them for entrance into kindergarten.

All three and four year old children who reside in the district are eligible for screening. All children must be three by May 1, 2020 to qualify for this screening. Another screening for children, who will be three before school begins, will be held in August, 2020. If you would like to have your child screened, please call the Marquette School office (382-3612) to set an appointment beginning April 20, 2020.

Kindergarten Round-Up

Kindergarten round-up will be held Monday, March 23 through Friday, April 3, 2020, at Marquette School. All children, who turn five years old on or before September 1, 2020, are eligible to enroll in kindergarten for the 2020-2021 school year. Parents or guardians of these children are invited to register in the school office for the spring screenings. Kindergarten screening is on Wednesday, April 15, 2020. **Proof of Residency must be provided before child is screened.**

You must bring the students' Certificate of Live Birth to pre-register your child.

It is very important for the students to be pre-registered for kindergarten at this time to plan for fall classes.

We look forward to seeing you and your child during round-up.

Spring Break April 6-13

**GEORGETOWNE MIDDLE
SCHOOL
GRADUATION**
Wednesday
May 20, 2020
7:00 P.M.

VARICELLA (chicken pox) - 2nd VACCINE OR PROOF OF DISEASE (IF NOT ALREADY RECEIVED)

DENTAL EXAMS FOR ALL STUDENTS IN GRADES KINDERGARTEN, 2 AND 6.

DIABETES SCREENING

OUT OF STATE STUDENTS

All out of state students need an Illinois physical. The requirements are the same for all immunizations.

Textbook fees for students at Marquette Elementary, Rogers Elementary and Georgetowne Middle School will be set this spring. Textbook fees should be paid at the time of registration. **A discount will be given for each student that is paid by September 18, 2020.**

At Georgetowne Middle School, an additional fee for electives or activities will also be assessed according to specific class assignments. If you need more information concerning needed supplies or materials, or the cost of these items, please contact the school office at 382-3456.

At Rogers and Marquette Elementary Schools, an additional activity fee for student magazines, assignment notebooks, recorders or journals will be assessed according to grade level. If you need more information concerning this activity fee, please contact Patty at Rogers Elementary School at 382-3401 or Teri at Marquette Elementary School at 382-3612.

DENTAL EXAMS

House Bill 752 now requires all children in kindergarten, second and sixth grades of any public, private, or parochial school to have a dental examination. See District webpage for more information www.dist102.org/dist102.

VISION EXAMS

Effective January 1, 2008, all Illinois children in Kindergarten or upon first entry into an Illinois school beyond kindergarten are required to have an eye examination. This includes all public, private, and parochial schools. Each child is required to present proof of an eye examination by an optometrist or medical doctor who performs eye examinations. See District webpage for more information www.dist102.org/dist102.

CERTIFICATE OF LIVE BIRTH

All students are required to provide a Certificate of Live Birth. This is to be obtained through the courthouse of the county in which the child was born. The copy from the hospital is not considered a Certificate of Live Birth. Some students who do not have a birth certificate on file may be asked to obtain a **Certificate of Live Birth** as stated in the student handbook. **This must be turned in to the district no later than the first day of school.**

DISTRICT 102 SPECIAL PROGRAMS

Many community members, as well as parents, may not be aware of all the special services and programs offered by the North Pekin - Marquette Heights School District. Many of these programs, or services, are open to community members from ages three to twenty-one.

These services include special testing for three and four year olds who may have a speech or language problem, or if the parent feels there may be a concern because of the developmental progress of their child. In such a case, district personnel could evaluate the child for speech and language services, or possible placement in an early childhood program.

Students who are currently enrolled in the local schools also have access to the many special programs that the district provides. These programs include, but are not limited to, special education classes for learning disability students, classes for students with behavior problems, services for students with speech or language deficits, as well as programs for students with visual or physical handicaps.

In addition, the district also complies with the Americans With Disabilities Act, and Section 504 of the Rehabilitation Act of 1973. If you, as a parent, feel your child needs special assistance in these areas, or any other area, please contact your local school office, to set up an appointment to discuss your concerns.

School Buses and the Law

In case you are not aware, it is **ILLEGAL** to pass a stopped school bus with its stop arm out if you are on a **divided road**, or if you are in one of the **school parking lots/drive ways**. The only time you may pass a stopped bus with its stop arm out is if you are on a **FOUR LANE** road! Drive safely and watch out for our students.

Enhance the Future Scholarship

The Enhance the Future Scholarship is for Pekin High School seniors who graduate during the 2019-20 school year (mid-year or end-of-year) who attended North Pekin-Marquette Heights School District 102 for, at least, six (6) years and who will be attending an accredited college, university or trade school. Students who attended District 102 Schools who still live within the District 102 boundaries, but will be graduating from a different high school may still apply for consideration. If chosen, a scholarship of \$500 will be awarded to recipients. Recipients are selected by a committee of District 102 current and/or retired staff members.

For individuals who would like to make a financial contribution to support this scholarship, any support is very much appreciated. Checks should be made to the Marquette Heights Men's Club. Please note "EFS" on the "For" line of the check.

Checks should be mailed to:

N. Pekin-Marquette Heights District 102
51 Yates Rd.
Marquette Heights, IL 61554
C/O Enhance the Future

The District 102 office will record and copy all checks received.

For questions, please contact Byron Sondgeroth, District 102 Superintendent, at (309) 382-2172.
