

# October 2025

## Lunch

Monday

Tuesday

Wednesday

Thursday

Friday

### Did you know?

The main reason for the color change of the leaves is not autumn's chilly weather, but lack of light. The green color of leaves disappears when photosynthesis (from sunlight) slows down, and the chlorophyll breaks down. Trees with a lot of direct sunlight will produce red leaves, while other trees may turn yellow, orange, or brown.

6  
Milk  
Chicken Drumstick  
Goldfish Cracker  
Baked Beans  
Cinnamon  
Applesauce

7  
Milk  
Chicken  
Empanada
