

TECH NOTES 2026-2027

A copy is posted on the district website under <Information> <Tech Information>

TECH PROBLEMS

- Again, this year the district will be using a Google form for all technical problems. There is a link under Staff / Tech Requests on the front page of the district website.
- All Lumen problems or questions – ask building secretaries and then Patty Crank. Patty will also be taking care of the calendar on the district webpage. If you want any event listed on the calendar at the bottom of our website, please send her the information.
- Email me, Jessica Rustman at jrustman@dist102.org if you have problems with – District 102 Webpage, or Renlearn products – Accelerated Reader, Star Math/Star Reading, and Freckle.

PASSWORDS / SHORTCUTS / STUDENT DEVICES

- If you need the password for the wireless network, please ask your principals. I can only reset webpage and Renlearn passwords. For any password you cannot remember please fill out a tech request on the website. If you have any problems with student or lab computers or Chromebook/iPad fill out a tech request. Lab login – Marquette only – (MES)
- PLEASE use the shortcuts on the front page of our website – these are correct and updated. If you have any programs or web pages that you would like a shortcut ADDED, please email me the site address and I will be glad to do that.

WEBSITE

- The staff tab on the District webpage is full of useful information and has been updated to reflect the new contract. You will find the tech and maintenance requests forms as well.
- Many grade levels have consolidated their webpages. K-8th grades will see these under each grade level. Please continue to keep these up to date. Your individual webpages are now under your names. Please update them with at least your contact and classroom information or a link(s) to any information you want parents/students to know. If you are new and don't have access to the webpage, let me know what I can add to your section for you.

- With both schools and the District using Class Dojo as a primary source of communication, I have started to go through and thin out what is on the District website.

RENLEARN

- **Star Testing - Screening dates 2026 - 2027**

- FALL - 08/19/2026 - 09/4/2026**

- 2nd - 8th Grades

- Star Math Enterprise Tests

- Star Reading Enterprise Tests

- MID - 11/4/26 - 11/20/26**

- 1st Grade to 8th Grade

- All tests listed above

- WINTER - 1/6/27 - 1/22/27**

- All Tests 1st - 8th

- SPRING - 5/3/27 - 5/20/27**

- All Tests 1st - 8th

- AR will be ready to use when your classes are complete. I will email you when they are ready. I hope to have these done for you by August 18th! Any information for extended time and any updates to be aware of will also be emailed with your class list.

Please feel free to reach out with any questions/concerns you may have!

Jessica

LIBRARY / STEM

- Amy Jackson or Terri Donahue will be our main librarians. Cindy Bridges and Sue DuBois will be helping when it is needed. They will meet with your class the first time that they use the library to go through library rules and procedures. Library classes at GMS will be Wednesday mornings and all day Friday. MES library times will be all day Tuesday and Wednesday afternoons. The libraries will open the week of **August 17th**

- There is a Google Spreadsheet Library / STEM times under your school's library login page. Cindy will be taking care of the library schedules and the library system.

Please feel free to reach out to Cindy (cbridges@dist102.org) with any questions/concerns you may have about the Library or STEM program!
