

School Board Member Training

Illinois State law changed in 2011 to require specific training for all elected or appointed school board members. Any board member appointed or elected to the Board after June 13, 2011 is required to complete the following trainings.

- A minimum of 4 hours of **Professional Development Leadership Training**
- A training on the **Open Meetings Act (OMA)**
- A training program on the **Performance Evaluation Reform Act (PERA)** – This is only required IF the school Board member will participate on a dismissal of certified staff based upon an “optional alternative evaluation dismissal process for PERA evaluations”
- A training on the **Freedom of Information Act (FOIA)** – This training is only recommended and not required.
