The Cool Tool For this Week: Homework Completion

- As promised, here are our spirit week winners from last week.....

In our penny wars competition, it was a close race between the 6th graders and the 8th graders. In the end, the SIXTH GRADE was victorious! Congratulations to our 6th graders....ice cream sundaes are in your future! Thank you so much to all of our students who donated to our fundraiser for TAPS. We raised a total of \$442.48 to donate to animals in need, all because of your efforts. You show us again what great students we have here at GMS!

Thanks to all of the students who participated in our spirit week dress up days. The grade level that had the highest percentage of participation for the week was the 6th grade! So not only are you getting ice cream sundaes, you are also getting pizza! Great job by our 6th graders!

- Congratulations to the GMS Drama Club for their outstanding work at Friday's speech contest! Please come to Miss Hickey's room after school today to pick up your ribbons and take a quick team picture.
