**Did you know that GMS utilizes Twitter to Communicate all the great things that are taking place around GMS.?**

## *Please Remember.....*

Please call 382-3456 and leave a message before 9:00 am for your child's absence, if this call or prior notice is not taken your child's absence will be marked unexcused. Students will be considered tardy if they are not in their classroom before the bell rings at the beginning of each school day. 2 tardies will result in a warning letter home to parents, 3-8 tardies student will receive a lunch detention, 9-12 tardies student receives a one hour detention after school, and 13+ tardies results in possible suspension.

Also during school hours, cell phones are to be turned off or muted and left in the students' locker unless granted permission by the teacher. Phones should not be on their person as this can be very disruptive during class time. Parents, if you need to contact your student, please contact the office and a message will be sent to your child. If you are picking up your child, again notify the office and we will call your student to the office to be signed out. Office numbers can be found below.
